14 August 2024

Dear Shareholder,

The purpose of this Circular is to notify you of the following proposed changes to the supplements (the “**Supplements**”) for certain sub-funds of the Company as set out in this Circular (the “**Funds**”).

1. Addition of money market funds as an eligible investment for cash management purposes

It is proposed to update the investment policy for the Funds identified in **Schedule 1** to this Circular to permit the Funds to invest in money market funds for cash management purposes. This is not a material change to the investment policies of the relevant Funds and any investment in money market funds will be subject to the overall 10% limit on investment in other collective investment schemes provided for in each Supplement. The reason for this change is to provide the Investment Manager with greater flexibility in terms of the cash management tools available to it, particularly as money market funds can provide superior rates, better preserve value and offer operational efficiencies compared to allocating cash to bank deposits.

2. Amendment to the definition of “Dealing Day”

It is proposed to amend the definition of “Dealing Day” for the Funds identified in **Schedule 2** to this Circular to clarify that the Funds will not be open for dealing on any Business Day prior to a Significant Market being closed. A “Significant Market” is defined in each Supplement as any market and/or exchange or combination of markets and/or exchanges where the value of a Fund's investments in those markets and/or exchanges exceeds 30% of the Net Asset Value of the Fund. As the relevant Funds operate with a Valuation Point that is on each Business Day following a Dealing Day, the purpose of the amendment is to clarify that the Fund will not be open for dealing on the Business Day prior to the Significant Market being closed.

Registered in Ireland as an open ended umbrella fund, with segregated liability between sub funds.

Registration Number: 467896

Directors: Eve Finn, Feargal Dempsey, Peter Blessing, Suzanne Williams (British), Anthony Jeffs (British), Simon Fryatt (British)

The Company is regulated by the Central Bank of Ireland.

It is proposed to amend the section of each relevant Supplement titled "Index Description" to reflect these additional exclusions which have not resulted in any material change to the Funds.

Unless otherwise indicated in this Circular, each of the changes indicated will take effect on the date on which the revised Supplements are noted by the Central Bank, which is expected to be on or around 30 August 2024 (the "**Effective Date**").
