This document is intended for information only and does not constitute investment advice, tax advice or a recommendation to any reader of this material to buy or sell investments. The value of investments and any income from them can go down as well as up and investors may not get back the amount originally invested. Where overseas investments are held the rate of currency exchange may cause the value of such investments to go down as well as up. Investments in emerging markets are by their nature higher risk and potentially more volatile than those inherent in established markets.

The fund is a sub-fund of HSBC Global Liquidity Funds plc, an Open Ended Investment Company with variable capital and segregated liability between sub-funds, which is incorporated under the laws of Ireland and authorised by the Central Bank of Ireland. The company is constituted as an umbrella fund, with segregated liability between sub-funds. UK based investors are advised they may not be afforded some of the protections conveyed by the provisions of the Financial Services and Markets Act (2000), (the Act). The company is recognised in the UK by the Financial Conduct Authority under section 264 of the Act. The shares in the company have not been and will not be offered for sale or sold in the United States of America, its territories or possessions and all areas subject to its jurisdiction, or to United States Persons. All applications are made on the basis of the Prospectus, Key Investor Information Document (KIID), Supplementary Information Document (SID) and most recent annual and semi-annual reports, which can be obtained upon request free of charge from HSBC Global Asset Management (UK) Limited, 8 Canada Square, Canary Wharf, London E14 5HQ, UK; the local distributors or from our website (see below). Investors and potential investors should read and note the risk warnings in the Prospectus, KIID and additionally, in the case of retail clients, the information contained in the supporting SID. It is important to remember that there is no guarantee that a stable net asset value will be maintained.
